

Discover the Details of Green Living

Gain the knowledge that distinguishes you as a source for resource-efficient homes with NAR's Green Designation courses.

Through the two-course experience, you'll learn the best approaches to:

- 🏠 Make a home more resource-efficient
- 🏠 Connect clients with green DIY resources
- 🏠 Use smart home technologies
- 🏠 Retrofit and replace systems
- 🏠 Advise clients through effective remodels
- 🏠 Build green from the ground up

Sign up for NAR's Green Designation courses today.

For information on earning NAR's Green Designation, visit GreenREsourceCouncil.org.

Take the Course!
