05/17/2022	Mount Olive	Town	Morris	NJ	Property Ownership	9	Mr. Tatarenko: Sure. So, you may recall, back in the fall we had an issue with the Carlton Water System. Several residents were experiencing some iron in their water. So, we did do an emergency purchase to update the filtration system, which we have recently completed. However, the homeowners are still affected by iron. So, we're revisiting this project. We brought, you know, Van Cleef on board and their water specialist. Our engineer actually visited with the three homeowners today to inspect what's going on in their homes and we have several action items which we need to accomplish to try to narrow down the issue and hope to have a resolution shortly as well. So, we thought we tackled it in the fall, but it still needs to be revisited. That's all that I have.	Link to document	Link to Curate doc

05/17/2022	Mount Olive	Town	Morris	NJ	Metering & Billing	127	Although the moratorium on shutoffs for, or enforcement of liens on, unpaid water, sewer, and municipal electric charges by residential ratepayers expired on March 15th, P.L. 2022, c. 4 extends this moratorium for those residential customers who apply for a state-administered utility assistance program prior to June 15, 2022. Before enforcing unpaid open water, sewer, or electric charges accrued prior to March 15, 2022, or allowing an existing tax lien owner to satisfy such arrearages as a subsequent payment, local units are also required to offer a residential ratepayer the opportunity to enter into an installment plan for satisfying unpaid charges. 05/23/2022	Wayne	Town	Passaic	NJ	Accessory Dwellings	1	Currently pigeon coops and lofts are regulated in Article VI of Chapter 68, which is managed by the Health Department. While the Health Department will continue regulating the keeping of pigeons, size limitations for the coops and lofts are more appropriately located within Chapter 134. Changes to Chapter 134 specifically proposed include creation of definition of "Pigeon Coop or Loft" and creation of accessory structure standards requiring minimum ½ acres lots for construction of pigeon coops add lofts, and permitting pigeon coops and lofts up to a maximum of 800 square feet.
