

TOOLS FOR SCHOOL

AUGUST 1-16, 2017

HELP LOCAL CHILDREN GET READY FOR SCHOOL

Children need a fresh start each year. For low-income and **ALICE™** (Asset Limited, Income Constrained, Employed) families in our northern New Jersey region, providing the necessary school supplies can be a financial hardship. That's where North Central Jersey Association of REALTORS® (NCJAR) comes in!

NCJAR Tools for School is an annual school supply drive that helps ensure these kids receive the tools needed for academic success. YOU can help thousands of preschool and elementary and middle school students begin the school year prepared!

NEW SCHOOL SUPPLIES NEEDED

In addition to the supplies below, we also welcome donations of gift cards to local stores for children's clothing and shoes.
